

Palm Oil Mill List

26 April 2019

This list represents mills in our supply chain. It is a snapshot, based on data provided to us in late 2018 by suppliers about mills that they own, or are in their upstream supply. Since first publishing the list in March 2018, a total of 70 mills belonging to 15 upstream suppliers have been excluded from our supply chain as a result of breaches.
